

Xyngular is about empowering others to Become More. Xyngular is committed to providing every Customer, Member, and Distributor with the resources they need to become the best version of themselves. For independent Xyngular Distributors success can vary depending on work effort, dedication of time, and market conditions. In the table below, you will find the Xyngular Income Summary*, which outlines what the average active¹ Xyngular Distributor can expect to earn as they progress along their own Xyngular journey.

*The Income Summary is from the United States market and does not yet include distributors from the Philippines.
